THE DELTA 500 CLUB - ANGEL WINGS PROJECT

The Angel Wings Project is a Delta 500 Club activity and is not directly related to any other organization. Each year, the club generates money that is donated, in the form of useable goods, to local non-profit organizations that support the needs of the community. This program is also used to help in the case of catastrophes. Each year we try to collect donations to purchase gifts and food items a needy local family. Throughout the year we collect small personal items and used clothing to help support a local shelter. The shelter that we are currently helping is called "Second Chance" located on Pershing Ave.

The Board of Directors determines who will receive the Angel Wings funding, each year. The reason for this is that the destination of these funds and all funds collected through a Non-Profit organization MUST meet certain requirements and it is the Board's responsibility to verify that our efforts meet these requirements
