Open Membership Meetings

Worth 50 Delta 500 Club Award Points

The Delta 500 Club's Open Membership Meeting will be held on March 9, 2008 after the Doubles Championship Tournament at West Lane Bowl. At this meeting we will have our elections of officers. This year, the positions that are up for vote are as follows: President, Second Vice-President, Sergeant-at-Arms, and three directors. Some very important by-law changes need your vote. These changes include term limits for the President, 1st Vice-President, and 2nd Vice-President; Re-Rating Championship Tournament Averages; Delegation of Funds for Trophies/Plaques in Championship Tournaments; Mailing of Monthly Newsletter; and National 500 Club Representatives. We will be announcing our Awards & Points Winners, and a lot of other important information. Please plan on attending. Your input and votes are important. Your Delta 500 Club Uniform is required for the meeting.

The Stockton USBC WBA's Annual Membership Meeting will be held in April. Please try to attend your local association's meetings. This is your opportunity to know what is going on in the bowling world and with your local women's association. If anyone is interested in becoming a Director for the Stockton USBC WBA board, applications are available at both bowling centers.

Worth 25 Delta 500 Club Award Points

Special Notices

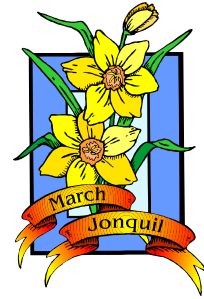

Each year The Delta 500 Club's Board of Directors actively looks for new ways to get more members to participate. Currently this is being done through our Awards & Points Program and the FREE Special Loyalty Awards Holiday Fun Tournament in December. If anyone can think of other ideas that might help, please either come to our monthly board meeting or leave a note in either of the correspondence boxes located behind the service desk at each Stockton bowling center.

Awards & Points Program

Delta's Awards & Points program has ended for the 2007-2008 year. We had to end early in order to get the names for the State 500 Club Princess Entries Processed. Any recaps for tournaments that you may have participated in 2008 need to be turned in right away, so they can be counted for the 2008-2009 Program.
